A NEW NEPS MINDSET

Poetic Guidelines

NEPS is where we love to be,
Our home, away from home where we can be **FREE**

However, we know there's much to do,
THAT INCLUDES BOTH ME AND YOU!

Let's keep our school clean, neat, tidy and organized,
Let's work and play at the assigned times.

Let us **RESPECT** one another students and teachers too,
Let us **HELP** one another for that is the right thing to do.

Let us not fuss, let us not fight,
We know deep down in our hearts, that this isn't right

We are not here for popularity
We would rather **LEARN MORE** about **LOVE** and **CHARITY**

We must raise our hands, **DISCUSS** and **GET INVOLVED**
That's the only way we can truly **EVOLVE**

We shall always venture to try our up-most best,
research, study, create, make-you know the rest!

ULTIMATELY

We know just what to do
"TREAT OTHERS AS WE WOULD LIKE TO BE TREATED"
So simple -so true!
If we can do this **ALL** together,
NEPS will be a school we'll surely treasure forever!
